COMMONWEALTH OF MASSACHUSETTS

MIDDLESEX, ss.

To the Clerk of the West and South Water Supply District of  
Acton: GREETINGS:

You are directed to notify and warn the inhabitants of the Town of Acton residing in the Water Supply District as bounded and defined by Chapter 326 of the Acts of 1912, Section 1 and 13 of said Act, and new extensions accepted by the District qualified to vote in election and Town affairs to assemble in:

Town Hall, Acton Center

Monday, February 20, 1961, at Eight o'clock P.M.

Then and there to act on the following articles:

Article 1. To choose a Moderator to preside at said meeting.

Article 2. To elect by ballot a Clerk for one year, a Treasurer for one year, and one member of the Board of Water Commissioners to serve for the term of three years, and to fix salaries of same.

Article 3. To hear and act on the report of the Water Commissioners, and other officers of the District, or any committee appointed at any previous meeting.

Article 4. To see if the District will authorize the Treasurer to borrow money, with the approval of the Water Commissioners, if necessary, in anticipation of revenue of the current year.

Article 5. To see if the District will vote to instruct the Water Commissioners to have an annual audit of the various accounts of the District or act anything thereon.

Article 6. To see what sums of money the District will vote to raise and appropriate to defray the usual expenses of the District.

Article 7. To see if the District will vote to appropriate from Surplus Revenue the sum of four thousand nine hundred dollars (\$4,900.00) to extend an eight-inch water main a distance of approximately 700 feet on Forest Road in an easterly direction from the end of the line installed during 1960, and to install the necessary hydrants and fittings, or act anything thereon. (Inserted at the request of Jenks Realty Co. and Malcolm R. Dunn).

Article 8. To see if the District will vote to instruct the Board of Water Commissioners to petition the General Court of Massachusetts for the power to extend the boundaries of said District to include the whole area of the Town of Acton, to do or act thereon.

Article 9. To see if the District will vote to appropriate from Surplus Revenue the sum of one thousand two hundred dollars (\$1,200.00) to install fence, construct lean-to shed, and oil driveway at Whitcomb Station, or act anything thereon.

Article 10. To see if the District will vote to purchase a pump and make necessary installation at the new well on Lawsbrook Road, South Acton, and authorize the Treasurer, with the approval of the Commissioners, to borrow such sums as may be necessary to complete installation, or act anything thereon.

And you are directed to serve this warrant by posting copies attested by you in three or more public places in the Water District thereof, seven days at least before the time of said meeting as directed by vote of the Water District.

Hereof fail not and make due returns of this warrant with your doings thereon to the Water Commissioners on or before the time of holding said meeting.

Given under our hands in Acton this twenty-seventh day of January in the year one thousand nine hundred and sixty-one.

DONALD L. LORING,  
ROBERT E. SWEENEY,  
HARLAN E. TUTTLE,  
Water Commissioners.

## REPORT OF THE WATER COMMISSIONERS

The District is continuing to grow at a rapid rate and we are still searching for water to keep ahead of the demand. We expect to have the new well, at the old Christofferson Pit, in operation by early spring.

We had a number of meetings this past year with the local Board of Health in regard to the District purchasing the land around the Whitcomb pumping station.

We were originally led to assume, by the State Board of Health, that they would protect the water supply from pollution, but on further meetings and discussions, we were told to take or purchase the land in a 400-foot radius or possibly lose the use of the wells. At a special meeting it was voted to buy approximately 21 acres at a cost of \$32,680.00.

At their annual town meeting in Boxborough, the voters acted to petition the Legislature to restrict the District from obtaining water from within the limits of that town. At the present time we are negotiating with the Boxborough Selectmen, to see if the District and the Town of Boxborough can arrive at a solution to the problem.

In anticipation of the growth of the Town, we feel that at this time the District should act in favor of taking into the District the balance of the area in the Town.

At the present time we have bonds in excess of \$150,000.00, and we seriously recommend that the voters of the District be conservative in their general outlay, to keep from increasing the water rates.

## REPORT OF THE SUPERINTENDENT

To the Board of Water Commissioners:

The following report covers the activities of the District for 1960.

New house installations number 131, and 42 old house services have been repaired or renewed.

The following water extensions have been completed as voted during 1960: Concord Road, Newtown Road, Nagog Hill Road, Minot Avenue, Forest Road, Conant Street, and Stow Street.

Total water pumped from October 1, 1959, to October 1, 1960: 169,488,000 gallons. Increase over 1959: 6,035,000 gallons.

A new well has been completed off Lawsbrook Road in the gravel pit of Lexington Sand & Gravel Company, which should give us a supply of around 500,000 gallons per day when this station is put into service. This should eliminate the ban on lawn sprinkling which was put into effect during the summer of 1960.

Respectfully submitted,

RAY L. HARRIS,  
Superintendent.

Article 9. To see if the District shall vote to adopt the following By-Laws:

These By-Laws shall be entitled, By-Laws To Regulate The Nomination And Election Of Officers Of The District.

1. The purpose of the By-Laws hereinafter set forth are to regulate the nomination and election of officers for the District so that the voters of the District may have knowledge of the candidates prior to an election.
2. All elections to any office in the District shall be by means of a printed ballot. This ballot shall be caused to be printed by the Commissioners acting as election officers from information furnished to them by the Clerk of the District as provided hereinafter.
3. No person's name shall be printed on the aforesaid ballot unless he or someone on his behalf has filed with the Clerk of the District not later than five o'clock in the afternoon of the second Monday in January of any year, a petition signed by at least one percent of the registered voters in the District setting forth the office for which he is a candidate and containing a statement signed by the candidate that he will accept the office, if elected.
4. Nothing herein shall be construed as preventing a vote by stickers or writing in the name of a candidate, all as provided in the General Laws, except that no such sticker or write-in candidate shall be deemed to be elected unless he has received valid votes equivalent to 1% of the total of the number of registered voters in the District, as hereinafter determined.
5. The Commissioners, acting as election officers, shall prepare as of January 1 in any year, a list of eligible voters from the official voting list of the Town of Acton as of that time. This list shall remain closed until after the annual meeting of the District. The list shall then be reviewed and revised for all subsequent special meetings, up to the day of the special meeting. These lists shall then be used to determine the right of any person to vote at an election or any meeting of the District.

6. All candidates elected to offices in the District shall be sworn to the performance of their duties by the Clerk of the District, except in the case of the Clerk, who shall be sworn by any of the Commissioners. The Clerk shall make a record of the facts in the minutes of the meeting.

Voted: To adopt the By-Laws as presented. (Unanimous vote).

Voted: That the Board of Water Commissioners be and they hereby are authorized to purchase in behalf of the West and South Water Supply District of Acton from Nashoba Enterprises, Inc., a certain parcel of land situated on the Northwesterly side of Massachusetts Avenue in said Acton and bounded and described as follows:

SOUTHWESTERLY by the State Highway, also called Massachusetts Avenue, 424.10 feet;

NORTHWESTERLY by land now or formerly of John F. Paino and Anthony J. LaCava, 1226.20 feet;

NORTHEASTERLY by land of Henry M. Anderson and Ingrid M. Anderson, 420.49 feet; and

SOUTHEASTERLY by other land of said Andersons and the West and South Water Supply District of Acton, 1529.84 feet.

Containing 11.08 acres, more or less, and that the District appropriate therefor the sum of \$12,000.00, and the Treasurer, with the approval of the Commissioners, be authorized

to borrow the sum of \$12,000.00, if necessary, to meet said appropriation. (Unanimous vote).

Article 4. To see if the District will vote to authorize the Board of Water Commissioners to acquire by purchase, eminent domain, or otherwise, land owned by Henry M. Anderson and Ingrid M. Anderson, located on Massachusetts Avenue, adjoining the property of the District, and containing 10.34 acres, more or less, or any part thereof; the same being subject to a right of way, for the sum of \$20,680.00, or any other sum; pass any vote, or take any action relative thereto.

Voted: That the Board of Water Commissioners be and they are hereby authorized to purchase in behalf of the West and South Water Supply District of Acton from Henry M. Anderson and Ingrid M. Anderson, husband and wife, as tenants by the entirety, a certain parcel of land situated on the northwesterly side of Massachusetts Avenue in Acton and bounded and described as follows:

SOUTHWESTERLY by Massachusetts Avenue, 415.70 feet;  
NORTHWESTERLY by land of the West and South Water Supply District of Acton, 1129.99 feet;  
SOUTHWESTERLY by other land of said District, 305.00 feet;  
NORTHWESTERLY by land of Nashoba Enterprises, Inc., 389.92 feet;  
NORTHEASTERLY by land of Henry M. Anderson and Ingrid M. Anderson, 467.03 feet; and  
SOUTHEASTERLY by other land of said Andersons, 1129.99 feet.

Containing 10.34 acres, more or less.

Said premises are subject to an easement forty feet in width adjacent to and adjoining the Southeasterly boundary of the premises, which is not to be taken or purchased; but shall become appurtenant to the purchased or taken parcel to be used in common with others entitled thereto; and that the District appropriate therefor the sum of \$20,680.00, and the Treasurer, with the approval of the Commissioners, be authorized to borrow the sum of \$20,680.00, if necessary, to meet said appropriation. (Unanimous vote).

To the Board of Water Commissioners  
West and South Water Supply District of Acton  
Acton, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the West and South Water Supply District of Acton for the fiscal year 1959, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. William Schwartz, Assistant Director of Accounts.

Very truly yours,

HERMAN B. DINE,  
Director of Accounts.

Mr. Herman B. Dine  
Director of Accounts  
Department of Corporations and Taxation  
State House, Boston  
Sir:

In accordance with your instructions, I have made an audit of the books and accounts of the West and South Water Supply District of Acton for the fiscal year 1959, the following report being submitted thereon:

The financial transactions, as recorded on the books of the several departments receiving or disbursing money for the district, were examined, checked, and verified by comparison with the books of the district accountant and the treasurer.

The books and accounts of the district accountant were examined and checked. The cash receipts as recorded were checked with the available department records and with the treasurer's books, while the payments were compared with the orders of the commissioners authorizing the disbursement of district funds and with the treasurer's books.

The ledger accounts were analyzed, the appropriations and loan authorizations as entered being checked with the amounts voted by the district as shown by the district clerk's record of district meetings.

A trial balance was taken off, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the district on December 31, 1959.

The books and accounts of the district treasurer were examined and checked. The receipts as recorded were analyzed and checked with the accountant's books and with the records in the departments collecting money for the district, while the payments were compared with the approved orders and the accountant's books. The cast balance on December 31, 1959, was proved by reconciliation of the bank balance with a statement furnished by the bank of deposit, and by actual count of the cash in the office.

The records of deductions from employees' salaries for Federal and State taxes and for the retirement system were examined and checked. The payments to the Director of Internal Revenue, the State, and the county treasurer were verified.

As in prior audits, it is again recommended that payroll deductions be entered as receipts in the treasurer's cash book.

The payments on account of maturing debt and interest were verified by comparison with the amounts falling due and checked with the cancelled securities and coupons on file.

The books and accounts in the district collector's office were examined and checked. The charges for water rates and services outstanding according to the previous examinations, as well as all subsequent lists of charges, were audited and proved.

The recorded collections of rates and services were checked with the payments to the treasurer, the abatements were checked with the records of the water commissioners, and the outstanding accounts were listed and proved.

Verification of the outstanding accounts was obtained by mailing notices to a number of persons whose names appeared on the books as owing money to the district, the replies received thereto indicating that the accounts, as listed, are correct.

The surety bonds of the district officials on file for the faithful performance of their duties were examined and found to be in proper form.

In addition to the balance sheet, there are appended to this report tables showing a reconciliation of the treasurer's cash and summaries of the payroll deductions and water accounts.

While engaged in making the audit cooperation was received from the officials of the district, for which, on behalf of my assistants and for myself, I wish to express appreciation.

Respectfully submitted,

WILLIAM SCHWARTZ,  
Assistant Director of Accounts.

Sir:

.As directed by you, I have made an audit of the collector's accounts of the West and South Water Supply District of Acton for the period from January 1, 1960, the date of the previous audit, to June 30, 1960, preparatory to a transfer of the books and accounts to the newly appointed collector, and submit the following report thereon:

The books and accounts of the district collector were examined and checked in detail. The records of charges for water rates and services accounts receivable were examined and checked. The payments to the district treasurer were compared with the treasurer's cash book, the abatements were verified, and the outstanding accounts were listed and reconciled with the district accountant's controlling account.

The outstanding accounts were further verified by mailing notices to a number of persons whose names appeared on the books as owing money to the district, and from the replies received it appears that the outstanding accounts, as listed, are correct.

The surety bond of the district collector for the faithful performance of his duties was examined and found to be in proper form.

During the progress of the audit cooperation was extended by the district officials, for which, on behalf of my assistants, and for myself, I wish to express appreciation.

Respectfully submitted,

WILLIAM SCHWARTZ,

Mr. Herman B. Dine  
Director of Accounts  
Department of Corporations and Taxation  
State House, Boston  
Sir:

As directed by you, I have made an audit of the books and accounts of the West and South Water Supply District of Acton for the year ending December 31, 1960, and report thereon as follows:

The financial transactions of the district, as recorded on the books of the departments receiving or disbursing district funds, were examined and checked.

The books and accounts of the district accountant were examined and checked. The ledger accounts were analyzed, the recorded receipts were compared with the treasurer's records, while the recorded payments were checked with the orders approved by the commissioners and with the treasurer's books. The recorded appropriations, loan authorizations, and transfers were checked with the amounts voted by the district as shown by the district clerk's records of district meetings. A trial balance was taken off, the necessary adjustments resulting from the audit were made, and a balance sheet, showing the financial condition of the district on December 31, 1960, was prepared and is appended to this report.

The books and accounts of the district treasurer were examined and checked. The recorded receipts were analyzed and checked with the departmental records of payments to the treasurer, while the payments were compared with the approved orders on file. The cash book was footed, and the cash balance on January 21, 1961, was proved by reconciliation of the bank balance with a statement furnished by the bank of deposit.

The deductions from employees' salaries for Federal and State taxes, county retirement system, and Blue Cross and Blue Shield were listed and the payments to the proper agencies were verified.

The payments on account of maturing debt and interest were compared with the amounts falling due and checked with the cancelled securities and coupons on file.

The books and accounts of the district water collector were examined and checked. The charges for water rates and services outstanding at the time of the previous examination, as well as all subsequent charges, were audited and approved. The payments to the treasurer were compared with the treasurer's cash book and the district accountant's ledger, the abatements were checked with the commissioners' records of abatements granted, and the outstanding accounts were listed and proved.

Further verification of the outstanding accounts was made by mailing notices to a number of persons whose names appeared on the books as owing money to the district, the replies received thereto indicating that the accounts, as listed, are correct.

The surety bonds of the district officials were examined and found to be in proper form.

In addition to the balance sheet, there are appended to this report tables showing a reconciliation of the treasurer's cash, as well as summaries of the payroll deductions and the water accounts receivable.

During the progress of the audit cooperation was extended by all district officials, for which, in behalf of my assistants and for myself, I wish to express appreciation.

Respectfully submitted,

WILLIAM SCHWARTZ,  
Assistant Director of Accounts.
